

8 Reasons Why Choose Management Department

GLOBALIZING SMART MANAGER

**Department of Management
Faculty of Economics and Management
IPB University**

International
Organization for
Standardization

Accredited by :

Background

Management was established in 2000 as a part of Faculty of Economics and Management (FEM), Bogor Agricultural University (IPB) to respond the growing demand of management competences in almost every sector of life. Learning outcomes and program contents derived from stakeholders' requirements by using Indonesian Qualification Framework (IQF). In line with those learning outcomes, graduates have prominent characteristics which include strong in analytical and creative thinking, excellent in managerial and leadership, and reliable to work both independently and in a team.

Vision

To become a resilient educational institution in the field of management, based on innovative research in tropical biosciences with a global orientation, in order to support sustainable development and beneficial to community self-reliance

Mission

1. To organize study programs aimed at producing competent graduates in the field of tropical bioscience management.
2. To conduct innovative collaborative research for the development of self-reliance with a focus on techno-sociopreneurship.
